INFORMATION BULLETIN

Embassy of Ukraine in the Islamic Republic of Pakistan

№ 20

30.07.2014

The Ukrainian Embassy to Islamabad welcomes all interested partners, organizations and companies to take notice of the following commercial information.

1. We would like to present to you the information on qualification degrees at faculties and institutes of the National Technical University of Ukraine "Kyiv Polytechnic Institute". The information on terms of admission and tuition fees, as well as other additional information can be found at the University's web-page (<http://kpi.ua/en>, <http://www.istudent.kpi.ua/index.php?lang=en>).

This distinguished higher educational facility is a top-rated Ukrainian University with respect to the quality of education, number of students and, certainly, its long history. A number of scientific and technical inventions of world significance were done by the pioneers from the "Kyiv Polytechnic Institute". This institution is proud of its graduates who became world-famous engineers.

The University welcomes students from Pakistan and is ready to provide them with highest level education, living and learning facilities.

2. We also have some commercial proposals from two Ukrainian companies:

- The Agrarian Holding Company "AVANGARDCO IPL" (web-site: <http://avangard.co.ua/eng/>), which is one of the leading agroindustrial companies in Ukraine, focusing on the production of shell eggs and egg products. According to the Pro-Consulting Report, AVANGARDCO IPL has a market share of approximately 57% of all industrially produced shell eggs and 91% of all dry egg products produced in Ukraine in 2013.

"AVANGARDCO IPL" exports its shell eggs and dry egg products to 33 countries, occupying the leading position in export of these products from Ukraine. The Company also sales its products internally to wholesale and retail customers.

This company seeks opportunities and partners to export dry egg products from Ukraine to Pakistan.
