This issue of the Commercial Information Bulletin is dedicated to the proposals of the Ukrainian National Foreign Economic Corporation “Vazhmashimpex” and Ukrainian Agribusiness club “AgriTravel”.

### **1. Ukrainian National Foreign Economic Corporation “Vazhmashimpex”**

Ukrainian National Foreign Economic Corporation “Vazhmashimpex” was established in 1996 on the initiative of the Government of Ukraine and Ukrainian leading heavy machine-building enterprises with the aim of organizing complete supply of Ukrainian machine-building products to the international market and the turn-key construction of industrial facilities abroad.

The biggest Ukrainian enterprises – the design engineers and manufacturers of heavy machine-building products, such as OJSC “Turboatom”, OJSC “Zaporozhtransformator”, Group of enterprises “ATT”, JSC “KharkivEnergoRemont”, JSC “KotloEnergoProekt”, JSC “YuzhTeploEnergoMontazh” and others, are the founders and associated members of our Corporation.

Enterprises, which are the founders of the “Vazhmashimpex” Corporation, manufacture steam and gas turbines with capacity of 2.5-560 MW, steam-gas plants with capacity up to 500 MW, transformers with capacity up to 1000 MW/500 KVA, boilers with capacity of 10-50 tons of steam per hour, equipment for hydro-, wind- and solar power plants, for power transmission lines, boiler equipment.

Ukrainian National Foreign Economic Corporation “Vazhmashimpex” supplies equipment and renders services for energy, oil and gas, chemical and metallurgy industries.

For last several years UNFEC “Vazhmashimpex” has performed a range of contracts, such as:

- complete overhaul of three boilers with capacity of 670 tons of steam per hour, with changeover of the high cascade steam super heaters at the Thermal Power Station “Muzaffargarh” (Pakistan);
- supply of three heat-recovery boilers to Kazakhstan;
- supply, installation and turn-key commissioning of the energy and handling equipment for Tupolangskaya and Gisarakskaya hydroelectric power plants (Uzbekistan);
- turn-key construction of two 2,5 MW gas turbine power plants in Uzbekistan;
- construction of two 2,5 MW gas turbine power plants in Kazakhstan along with supply and installation of power plants’ fuel systems from liquid to gaseous fuel;
- 4 MW gas turbine power plant turn-key construction in Burma;
- turn-key construction of the section for crushing, processing and transporting of the slag dumps and construction of the steelmaking storage for the JSC “Uzbek Metallurgical Enterprise” (Uzbekistan);

- supply of metallurgy, transport and warehousing equipment to the Esfahan steel plant (Iran), to the metallurgical complex “Kremikovtsy” (Bulgaria) and to the metallurgical plant in Moldova;
- complete overhaul of four gas turbine power plants in Uzbekistan with complete replacement of the gas turbine drives.

As well, Ukrainian National Foreign Economic Corporation “Vazhmashimpex” won the international tender under the aegis of the International Bank for Reconstruction and Development for supply of 11500 steel containers for the utility services of Tashkent city (Uzbekistan), and impeccably fulfilled this project.

Except that, UNFEC “Vazhmashimpex” implemented the project of complete overhaul and modernization of the ammonia overload shop at portside plant in Odesa (Ukraine) with replacement of British made gas turbine engines, compressors and other equipment for more efficient Ukrainian one. For ensuring uninterrupted and safe work, the automatic technological processes control system was modernized.

In accordance with the Machine Building Development Program, approved by the decision of the Economic Cooperation Committee of the Russia-Ukraine Interstate Commission, UNFEC “Vazhmashimpex” is working together with JSC “UralMash” (Russian Federation) on manufacturing in Ukraine of drilling rigs for oil and gas drilling at a depth of 6 500 m with 450-600 tones weight-lifting capacity.

For increasing effectiveness of its foreign economic activity, UNFEC “Vazhmashimpex” opened the representative offices in all industrial regions of Ukraine, in Uzbekistan, Azerbaijan, UAE and Nigeria. The opening of the representative offices in China and Vietnam is under way. The agency relations have been established with the companies from Bulgaria and Brazil.

UNFEC “Vazhmashimpex” is the member of the Chamber of Commerce and Industry of Ukraine and the member of the Russian Federation Union of the equipment producers and suppliers. The corporation has been put into the Gold Book of the business elite of Ukraine, awarded with the Honorary Diploma for the powerful contribution to the economics of Ukraine, and with the Honorary Diploma of the Ministry of Industrial Policy of Ukraine.
