

EUROPEAN UNIVERSITY (Kyiv)

European University is one of the largest private higher educational establishments of Ukraine with over 30 thousand students, including foreigners from 15 countries, studying in 26 specialties. The University was founded in 1991 by the family of scientists – Tymoshenko Ivan Ivanovych, his wife Tymoshenko Zoia Ivanivna and their daughter Tymoshenko Olena Ivanivna. During 18 years of the University's work, the Tymoshenko family created a modern Higher Educational Establishment, where work over 1600 faculty members. The University structure is made up of the Scientific and Research Institute of Law and Business Security, Scientific and Research Institute of System-Defined Research, Economy Stabilization and Development; Faculties of Economics and Management, Information Systems and Technologies, Law, Business Security, Practical Entrepreneurship and Professional Adaptation; 25 affiliates in different cities of Ukraine; Business College, Gymnasium and Nursery School. It's a unique Higher Educational Establishment in Ukraine with the educational system from the nursery school to the university.

European University has International Educational and Preparatory Center for foreign students and postgraduate program for the higher qualification specialists training. The University trains Junior Specialists, Bachelors, Specialists and Masters in the following fields of study: «Culture», «Law», «Economics and Entrepreneurship», «Management and Administration», «Natural Sciences», «Information Science and Computer Engineering», «Information Security». The University also carries out retraining of specialists and raising the level of qualification. European University cooperates with 38 foreign Higher Educational Establishments. Within the framework of the grant «Tempus/Tacis» JEP 2350-2002 European University, together with the leading universities of England, France, Germany and Spain, developed the Master's Degree Program in Business Administration and Information Technologies.

European University provides the students and employees with the latest material and technical basis for studies and recreation: its own buildings, publishing center, library, comfortable dormitories, medical service, health centers in the Carpathian Mountains and near Kyiv.

The current content of education, innovative forms in the educational process with the use of computer technologies and training classes, allow to educate specialists on the level of European standards. In 2005 European University won the Xth Ukrainian National Quality Competition and was awarded a certificate «Recognition of Perfection in Ukraine».
