BUSINESS OFFER

GUARDRILS & BARRIERS

We have the opportunity to produce and deliver the elements of the metal roadway guard barriers:

11-RO
road single sided

11-RD
road double sided

11-BO
bridge single sided

Groups 11RO, 11RD and bridge barriers 11BO, hot-dip galvanized coating or primer. Safety devices meet modern requirements and have higher containment level.

Also, our company manufactures the following products:

- Electrical Products: low-voltage, high voltage devices, crane electrical;
- Expanded metal sheet 3-5mm, width up to 1250mm;
- Metal grating;
- A metal container, garbage containers, mesh containers, pallets for transportation cars;
- Miscellaneous metalwork.

We hope for mutually beneficial cooperation!
